

VICAR'S MESSAGE

Beloved Brothers & Sisters in Christ,
Greetings of Lord Jesus.

We all are in a very relaxed mood after the Great Lent. The presence of members in the church, the presence of children in the Sundays School, all these have gone down. What is the reason behind such a difference in our activities related to the church before & after the Great Lent. Do you think that our responsibility towards the church & our relation with God differs from time to time? We all say & believe that it is God who protects us everywhere. Can you just imagine that, just like us if God also says "I will protect human only if he is in regular contact with me". What would be our situation? I am sure that our church will be over crowded just as we saw on the Good Friday or the Easter? Actually to an extent we are misusing the GRACE of God. 1 Peter 5:8. 'Be sober, be watchful: your adversary the devil, as a roaring lion, walked about, seeking whom he may devour'.

Beloved in The Lord this verse clearly shows that it is the Devil that sows the seed of laziness in our Hearts and to an extent these seeds are growing in our hearts. Satan is in fact succeeding to put a break between us and our Saviour. We think that during the Lent days & particularly during the Passion week we were really active in the church. And soon after that there is a silence in the spirituality of our life. We often get satisfied that we have gained enough blessing for one year. But brothers the devil is waiting ready to devour us at any moment. So let us all be ready to fight the satan who always comes in between us & our Saviour.

With Prayers,

May God Bless You All.

Yours in Christ,

Fr. Kurian John
